

LITE tow trailers

The Ultimate in towing

LITE tow trailers introduces our all new Plant Trailer!

The "XK/SS 6T" Tare 1600kg/GVM 6 tonne

A well appointed Steel trailer incorporating great features such as:

- 1) Beaver tail, reducing ramp length & weight
- 2) Aluminium Ramps, light weight & easy to use
- 3) Large safe Adjustable Stand for parking the trailer
- 4) Front rail area with adjustable bar for locating additional equipment
- 5) Compact draw bar allowing tight turns
- 6) Mounted Spare
- 7) Multi volt LED lighting
- 8) Mesh load deck tracks
